

## OUR Values

- CUSTOMER FOCUS:** To understand and exceed customer expectations and needs, while continuing to excel in customer satisfaction, towards developing value added customer relationships.
- COMMITMENT:** To take ownership in everything we do. To take pride and responsibility in our daily tasks and continually work towards exceeding customer expectations.
- INNOVATION:** Nurture creativity and innovation in the workplace. Demand this attitude from all of our partners, business associates and colleagues.
- TEAMWORK:** Ensure that all of our employees work towards a common goal to fulfill the overall objectives of GEFsales s.r.l.
- EXCELLENCE:** Create an environment for continual learning and improvement. Seek professional and personal excellence in all aspects for which we are involved.
- COST SAVING:** we are able to help customer on time and cost saving.
